SCHOOL OF THE BIBLE

School of the Bible (formerly Layperson's Bible School) began in the fall of 1981. It was founded by Bishop Keith A. Butler, Sr., Founder & Senior Pastor of Word of Faith Int'l Christian Center. Its purpose is to give laypersons and lay-ministers a basic working knowledge of Bible truths. The success of the program is known throughout the United States and abroad, for many churches have adopted this program as a vital part of their ministry.

Pastor Andre Butler, Executive Pastor of WOFICC, strongly advocates this program to anyone desiring to walk in the future that God has for them. This two-year school (September – June) is a systematic Bible Study course. It will give you a detailed study of your commission and authority as a believer in Jesus Christ.
